4	2-week block courses cannot be split: Syllabus is taught over a 2-week period for these courses.
5	Fun Sailing Camps. These camps provide sailors with the chance to practice their new found skills from their IS Courses, prepare for regattas, away events, or just to socialise and have fun on the water. Booking is essential to ensure we have adequate rescue cover and club boats where needed. These are NOT IS instructor sessions, but supervised by qualified and experienced staff.
6	Sea Fever Keelboat Courses take place on J24's out of Malahide Marina, and activities will be on open water around Lambay etc. Theory sessions eg. passage planning, chart work etc. will take place in our Clubhouse in St. James Terrace. Start/Finish times vary each week, according to tides. Participants will be notified in advance of times.
